1.2.3.1 Average percentage of students enrolled Certificate/ Add-on programs (last five years)

The internal Board of Studies and College Development Committee thought of providing some extra and thorough knowledge on some emerging and demanding topics (From industry point of view) apart from their regular curriculum and syllabus. Hence with this thought some Certificate/ Add-on courses were designed. This can cater to the needs of industry and other areas.

The students can gain thorough and deep knowledge on the narrow area in subject or topic on the basis Certificate/ Add-on programs.

These Programmes/ Certificate courses provides specialized education, training and, hands on experience that allowed the students to develop their abilities.
