The inaugural function will be followed by the workshop on guidance on Industry-Institute linkage by Dr. D. P. Kothari. He focuses on the better interaction between Technical institutions and industry is the need of the hour. This will have great bearing on the Pharmacy Curriculum, exposure of industrial atmosphere to pharmacy students and subsequent placement of young graduating pharmacists in industries across the country. With the advent of globalization and opening up of Indian economy to outside world, competition among industries has become stiff. To solve their problems they look up now to Pharmacy Institutions. Similarly, there is an urgent need to prepare pharmacy students for jobs in multinational companies, by exposing them to newer technologies and pharmaceutical methodologies. These objectives can only be achieved well by bridging the gap between industry and the academic institute.

The workshop was anchored by Ms. D. R. Kerzare and vote of thanks proposed by Ms. S. B. Wakodkar. There was an overwhelming response to attend the seminar and 54 delegates registered for the conference. Mrs. Suhasine G. Wanjari, President, Amar Sewa Mandla, Nagpur and Adv. Abhijit G.
