

## One-Day Workshop on Guidance on Industry-Institute Linkage at Kamla Nehru College of Pharmacy, Butibori, Nagpur

A one day workshop on Guidance on Industry-Institute Linkage has organized by Kamla Nehru College of Pharmacy (KNCP), Butibori, Nagpur on January 11, 2019 for teaching faculty and PG students.

Dr. D. P. Kothari, Former Director, Indian Institute of Technology (IIT), New Delhi, was the Chief Guest and Speaker and Dr. J. R. Baheti, Principal, KNCP was preside over the Inaugural function. The welcome address was delivered by Dr. J. R. Baheti (Convener) and the introduction was given by Dr. P. P. Katolkar (Organizing Secretary).

The inaugural function was followed by the workshop on guidance on Industry-Institute linkage by Dr. D. P. Kothari. He focuses on the better interaction between Technical institutions and industry is the need of the hour. This will have great bearing on the Pharmacy Curriculum, exposure of industrial atmosphere to pharmacy students and subsequent placement of young graduating pharmacists in industries across the country. With the advent of globalization and opening up of Indian economy to outside world, competition among industries has become stiff. To solve their problems they look up now to Pharmacy Institutions. Similarly, there is an urgent need to prepare pharmacy students for jobs in multinational companies, by exposing them to newer technologies and pharmaceutical methodologies. These objectives can only be achieved well by bridging the gap between industry and the academic institute and by training of faculty at industrial site.

The workshop was anchored by Ms. D. R. Kelzare and vote of thanks proposed by Ms. S. B. Wakodkar.
