One day event on 'Safe Use of Drinking Water' under Swachh Bharat Abhiyan

Kamla Nehru College of Pharmacy conducted a one day event on 'Safe Use of Drinking Water' under Swachh Bharat Abhiyan at Shirul village on 16th November 2014. The event was inaugurated by Dr. S. N. Umathe (Principal of College). He shared few words about importance of cleanliness. Villages have become proactive in order to ensure cleanliness of their environment and hygiene of people inhabiting those villages. Other than public toilets, personal toilets too have been constructed in order to avoid defecation at open places. In fact, effective measures are being taken up for managing dirty water and solid waste. 34 students were participated in the event and a rally was conducted for awareness of the villagers about the cleanliness. The villagers assured us about the cleanliness of village.

One day event on Importance of cleanliness for Healthy Life under Swachh Bharat Abhiyan

Kamla Nehru College of Pharmacy conducted a one day event on Importance of cleanliness for Healthy Life under Swachh Bharat Abhiyan at Shirul village on 20th January 2015. The event was inaugurated by Dr. S. N. Umathe (Principal of College). He shared few words about importance of cleanliness. When we know that Cleanliness is next to Godliness, so why are we still insensitive towards this issue? Unhygienic conditions can cause many serious health hazards including causing harm to the environment in the form of pollution. In filthy surroundings, germs spread all around, which we cannot see though our naked eyes and how fast these germs multiply we cannot possibly imagine. If pollution will increase in our environment – it will start breeding such diseases as asthma, cancer, chest congestion, lung infection thereby resulting in a person's death. 44 students were participated in the event under the guidance of Asst. Prof. Lokesh Thote, Programme Coordinator and a rally was conducted for awareness of the villagers about the cleanliness. The villagers assured us about the cleanliness of village.

Swine Flu Awareness programme

The NSS Unit of Kamla Nehru College of Pharmacy, Butibori had organised Swine Flu Awareness programme on 20th January 2015.) at Shitul. 35 NSS volunteers participated in the same. The event was inaugurated by Dr. S. N. Umathe (Principal of College). He shared few words about Swine flu prevention. By simple hygiene and sanitation measures for cough, swine flu transmission can be effectively prevented. The purpose of this study was to know whether the people had enough knowledge about swine flu (H1N1) and to assess their knowledge about possible preventive measures to be taken including vaccination against swine flu epidemics. 35 students were participated in the event under the guidance of Asst. Prof. Lokesh Thote, Programme Coordinator and a rally was conducted for awareness of the villagers about the Swine flu. The villagers assured us about the cleanliness of village.

Cleanliness Drive under Swachh Bharat Abhiyaan

Our College organized Cleanliness Drive under Swachh Bharat Abhiyaan Programme on 10th February 2015. The main purpose of this programme was to create awareness among the students regarding Cleanliness and its benefits. Under this programme, all the students had to participate. Even teachers were the essential part of this drive. As a part of this Cleanliness Drive, we had to clean the whole College. The sweepers of the school had to be the observers. Our Principal started the programme by cleaning the corners of the play ground. Then the teachers and students followed suit. Some of us picked brooms and started our job. Some of the students did the dusting of the rooms. And others went to the play ground and started picking wrappers lying scattered there. After collecting them they threw them in to the dustbins. After doing this job for two to three hours, we all assembled in the seminar hall. There we were given refreshment in the form of bananas and apples.

Women Safety Drive

Awareness program for Women safety was conducted Kamla Nehru College of Pharmacy, at Shirul Village on 9th March 2015. The program made the women in the village aware of precautions to be taken during pregnancy and balanced diet for healthy mother and child. The program also guided the mothers of infants and other women about importance of breast feeding, vaccination and healthy balanced diet. Also the leaflets containing important information related to importance of breastfeeding and diet were distributed amongst the villagers. Queries raised by the women were solved through proper counseling and guidance. During the program about 5 staff members and 40 students contributed. Diet charts for pregnant and lactating women were distributed amongst the villagers.
